

# WHY USE LEASE-PURCHASE?

- ✓ So you can provide a solution to customers who cannot obtain traditional financing
- ✓ If customers can answer four questions (and provide verification), they WILL be approved.

- ✓ Do you own your home, are current on your mortgage and reside at the address where the property will be installed?
- ✓ Have you been employed at your current job for at least 6 months?
- ✓ Do you have a monthly income of \$2,750 or greater?
- ✓ Do you have an open checking account with a positive balance and no NSF's for the last 60 days?

*It's as simple as that.*

What are you waiting for?

and get started TODAY!

**OKINUS**  
CREDIT SOLUTIONS  
*Fast. Flexible. Friendly.*

# Okinus HVAC Process Step-by-Step Guide

# Q

What do we need from you as a contractor/installer?

A quote and a few photos.

# A

## Here are the details of the process:

- 1 Provide the customer with a quote and Okinus Card.
- 2 Tell the customer to call the number on the card or apply online through link provided. We handle the application and contract process. Once complete, we will notify you to install the equipment.
- 3 Once the installation is complete, we need four photographs. One of each of the following:
  - The inside air handler unit,
  - Model and serial number of air handler,
  - Outside condenser unit and
  - Model and serial number of condenser

*That's it. Once we receive the photographs of the installed units, we will remit payment to your account.*
